

3RD/5TH ARBROATH COMPANY BOYS' BRIGADE

Anyone who works with young boys will know that they seem to have endless supplies of energy, and the leaders can confirm that, even on a Friday night after a long week at school, our boys are no different!

There is always plenty of time running about and enjoying playing new games, but there are also quieter moments when the boys will listen with wide eyes to stories from the Bible. The Junior and Company boys took the idea of devouring God's word quite literally one night as they chose a Bible verse to write on a scroll made of icing! The boys had a lot of fun doing this activity – especially eating it!

Elizabeth Cunningham
Officer in Charge

2ND ARBROATH COMPANY GIRLS' BRIGADE

Recently, the Junior and Brigader sections have been focussing on the service part of their badge. The girls have been continuing their venture into knitting and making plastic canvas coasters (with varying levels of success!) It's amazing how many Grannies have been roped in by the girls to give them extra lessons at home! The Explorers have been continuing to travel to different countries around the world. The girls also attended church to celebrate harvest thanksgiving and to pay their respects on Remembrance Sunday.

We will be holding our annual Snowman Drive on Thursday 10th December at 7pm. Everyone is welcome to join us for a night of festive fun! Entry is £1 per person and there will be cake and candy, Christmas craft and tombola stalls and, of course, a cup of tea or coffee!

Elizabeth Cunningham (Leader in Charge)
